#### RESEARCH AND DEVELOPMENT

Wesco prides itself in being flexible enough to meet the specific requests of our customers. We will occasionally run into request(s) that have not been manufactured by us previously. For requests that fall under this category we will need to process the initial pair under our R&D program. Please refer to the Custom Boot Options page for charges.

#### **DROP SHIP FEES**

For orders not shipping to your store(s) a drop ship fee per order will be added. The Drop Ship fee for a domestic address is \$5.00 per order plus shipping/handling. The Drop Ship fee for an international address is \$10.00 per order plus shipping/handling.

#### **SALES ORDER RECEIPT**

Wesco will acknowledge your order with a Sales Order Receipt by email, fax or standard mail. As this document is a "snap shot" of your order it is important for you to take a few moments upon receiving the Sales Order Receipt to insure the accuracy of the order. IF THE SALES ORDER RECEIPT VARIES FROM HOW YOU PLACED THE ORDER, PLEASE CONTACT THE ORDER DEPARTMENT IMMEDIATELY. There is no charge for these corrections. Failure to do so may lead to an incorrect boot being received.

#### **CHANGES AND CANCELLATIONS**

If you realize an error was made when you placed the order, or if your customer changes what they would like, your order can be changed or cancelled *prior to entering production* – please contact us to see if the change/cancellation can be made. A \$30.00 fee per pair for non-stock items will apply. Orders for stock items can be changed/cancelled up to the order being processed through our shipping department. *Changes/Cancellations cannot be made to Rush orders*.
